

STATISTICS on OECD iLibrary

The screenshot shows the OECD iLibrary Statistics page. At the top, there is a search bar and navigation tabs: 'Browse by Theme', 'Browse by Country', 'Browse by Theme and Country', 'Catalogue', 'Statistics' (highlighted with a red box), and 'Podcasts'. Below the navigation, there is a 'Search Statistics' section with a search bar and a 'Discover COVID-19 Data Insights' link. The main content area is divided into three sections: 'Databases', 'Indicators', and 'Statistical Series'. Each section has a scrolling menu of titles. Callouts 1, 2, 3, and 4 point to the search bar, the 'Databases' section, the 'Indicators' section, and the 'Statistical Series' section, respectively.

- ① Search Statistics: This search bar only provides results from statistical content.
- ② Databases: Click on a title from the scrolling menu below to access a single database. **IEA's energy databases** are available here in the left column.
- ③ Indicators: Click on a title of an individual indicator from the list presented in the scrolling menu below to access graphs, tables and descriptions of key indicators.
- ④ Statistical Book Series: Click on a publication title from the lists in the scrolling menu below to access a particular 'Statistical Book Series'.

Databases

The screenshot shows the 'IEA World Energy Statistics and Balances' page. The header includes the title, 'International Energy Agency', and a description: 'The database contains statistics on energy as well as the energy balances of OECD and non-OECD countries.' There are links for 'Email this Page' and 'Subscribe to the RSS feed'. Below the header, there is a 'Featured on this page' section with links for 'Datasets', 'Related Titles', and 'Datasets archives'. A table lists several datasets with 'Add to Favorites' and 'Click to Access' buttons. The 'Click to Access' button for the first dataset, 'World energy statistics', is highlighted with a red box.

After selecting a title from the Databases section of the Statistics page, a content page will appear with a short summary, the list of databases, related content and when available, an archive.
